<p><b>Give examples of how you will provide work sampling during the programme:</b></p> <p>As we are a generic e2e provider we can offer a variety of work placements/sampling.</p>	

**How will you integrate with other providers and facilitate the progression of learners to Tier 3.**

We work in partnership with all the Tier 3 providers within North and South Kirklees. Working closely with the E2E PA's to make a smooth transition for the learner.

We also have an in-house apprenticeship unit.
