

# zoes speech

*Hi my name is Zoe.*

*Before I started Project Challenge I was working at a+r training when a friend told me about project challenge. I came down to see for my self and I met Peter, who gave me some forms to fill out, so I did. I didn't know much about it or what I was going to do, but I thought I would give it a go!!*

*I have done three residentials and learnt how to ski. It has been hard work carrying heavy rucksacks. We all worked as a team and we all got through it. We complained, but we survived 3 weeks of snow and Pete's singing!! Well that's all I have to say. Good luck to the next group because it is hard but if you keep to it you will finally graduate like me and the group. Anyway I have to stop talking now and let some one else have a go. But before I do I have to say a big thank you to my group for helping me through it and a big thank you to the staff for giving me a once in a life time experience. I would do it again tomorrow if I had the chance. Any way I want to say thank you to everyone*

*Thank you .*
